## WA Police Force Review of Licensable Firearms in WA

Dear WA firearm dealer, manufacturer or repairer licence holder,

Licensing Services Firearms (LSF) has recently conducted a review of firearms licensable in Western Australia (WA).

As a result of the review the following firearms are licensable in WA:

- The Oceania Precision SP-25 LR rifle chambered for .223Rem or .308Win ammunition is licensable in WA;
- The Remington 700 Tactical chassis; and
- The Benjamin Armada PCP Air rifle

Also as a result of the review the following firearms are prohibited in WA:

- The Ruger PC Charger handgun chambered for 9x19mm ammunition is not licensable in WA due to Section 11(1)(b) of *Firearms Act, 1973*.
- C-More M26 sporting shotgun;
- Precision Rifle Products Bullpup;
- Precision DSR-1;
- Desert Tactical Arms SRS A1;
- Ruger SR22; and
- Franklin Armoury F17

Yours sincerely,
