22-250 10 SHOT  
AICS METAL MAGAZINE

**THE FIRST 10-ROUND METAL MAG FOR 22-250 CALIBERS**

Experience enhanced shooting capacity and unmatched durability, precision, and performance. With this magazine, you're always ready for action, armed with ample rounds and a magazine that ensures lasting reliability.

**COMPACT DESIGN MAXIMUM PERFORMANCE**

Our metal magazine's unique double-stacked single feed (DSSF) system creates a shorter magazine with increased capacity and smooth feeding. This design provides added clearance, reduces snagging, and even trims weight. Enjoy enhanced maneuverability and convenience for a top-notch shooting experience, anywhere you go.

**SHOOT WITH CONFIDENCE**

Crafted from nitrided steel for durability and corrosion resistance, it can take a beating and still perform flawlessly. With adjustable feedlips ensuring reliable feeding, you'll shoot with unwavering confidence, no matter the conditions. This magazine is built to endure and excel.

**REMOVABLE FLOOR PLATE FOR EASY MAINTENANCE**  
**CERAKOTE ELITE FINISH FOR SMOOTH FOLLOWER ACTION**  
**ADJUSTABLE FEEDLIPS FOR FINE-TUNED FEEDING**
